COMMUNICATION

Sir:

The above-referenced patent application was recently transferred to our firm. A Revocation of Power of Attorney and New Power of Attorney was facsimile transmitted to the Patent Office on December 16, 2005.

In the outstanding Office Action mailed September 26, 2005, claims 1-23 were examined. Upon review of the file history, the undersigned has noted that previous counsel filed a Preliminary Amendment at the time the application was filed (August 4, 2003) canceling claims 1-23 and adding new claims 24-71. A review of the Image File Wrapper (IFW) indicates that the claims filed with the Preliminary Amendment are found in an entry identified as "Claims" dated August 4, 2003 and having a total of 9 pages (consisting of claims 24-66 only). Applicants note that claims 67-71 filed with the Preliminary Amendment are found on the first page in an entry identified as "Applicant Arguments or Remarks Made in an Amendment" dated August 4, 2003 and having a total of 12

J:\NNN\137ID2P10-Misc\Comm-test.rtf.doc\DNID\sl

pages. The Preliminary Amendment is also located in the IFW in an electronic entry dated August 4, 2003 and identified as "Preliminary Amendment".

As the current Office Action pertains to claims canceled via Preliminary Amendment, Applicants respectfully request that the previous Office Action be vacated and a new Office Action issued for pending claims 24-71. The Examiner is encouraged to contact the undersigned at 352-375-8100 to discuss this matter upon receipt of this communication.

Respectfully submitted,

Frank C. Fisenschenk, Ph.D.

Patent Attorney
